Subject: RA Briefing due today

Hi Pam,

Enclosed a short RA Briefing that is due today. We will have to put one of these together once a month, but its

Ex. 5 Attorney Client (AC)

Capital Region Water (CRW): On August 24, 2021, EPA and PADEP met with Capital Region Water to discuss the draft amended Consent Decree. The discussion was productive.

- Both sides need to clarify several Long-Term Control Plan (LTCP) issues like sensitive areas and pollutants of concern.
- The parties need to work out when the LTCP will be due and a schedule to do the most serious repairs to the system, including installation of solids and floatable controls for CSO outfalls.
- The next settlement meeting is scheduled for September 14, 2021 to discuss the amended PCD's injunctive relief provisions and its attendant schedule.
- All parties are waiting for the Court to make the decision on the Lower Susquehanna Riverkeepers Association Motion to Intervene as to whether to allow them to become co-plaintiffs.
